

# HEPA BackVacuum

*The Nilfisk BackVacuum is a powerful, lightweight, HEPA-filtered backpack vacuum. It features a three-stage filtration system and a revolutionary ergonomic design, making it ideal for a variety of cleaning applications in confined areas where space restrictions are a factor. A patented rubber articulated joint ensures flexibility, allowing the vacuum to naturally conform to the operator's movement.*

*Lightweight and versatile, the Back Vacuum is ideal for a variety of cleaning tasks.*

*Padded, adjustable straps provide optimal comfort.*

*The first stage of filtration features a paper bag that captures the bulk of collected debris.*

# SPECIFICATIONS

## HEPA BACKVACUUM

Voltage	volts	115
Current draw	amps	8.7
Watts consumed	watts	1,000
Waterlift,*	inches	102
Airflow	cubic ft./min.	120
Tank capacity	gallons dry bulk	0.82
Paper bag capacity	gallons dry bulk	0.82
Filter area**	square inches	403
Dimensions	inches	9 x 12 x 18
Weight, container and hose	lbs.	9.9
Sound level, at 5 ft. from vacuum	dB(A)	61
Cord length	feet	50

# FEATURES&BENEFITS

## HEPA BACKVACUUM

-  In the first stage of separation, a disposable paper bag captures the bulk of collected debris.
-  The prefilter protects the motor and acts as a barrier to particles in the event a bag breaks.
-  HEPA (High Efficiency Particulate Air) filters ensure that 99.97% of all ultrafine particles, toxic or nuisance, are retained down to and including 0.3 microns.
-  Rounded ergonomic design reduces bulk and promotes comfort and maneuverability in confined areas.
-  Patented rubber articulated joint ensures flexibility and enables vacuum to conform to the operator's movement.
-  Motor positioned in lower half of vacuum to maintain low center of gravity.

*Patented rubber articulated joint ensures flexibility.*

## STANDARD ACCESSORIES

- 2 HEPA exhaust filters
- 3" round brush
- 50 ft. extension cord
- Crevice nozzle
- Retractable wand
- Combination floor brush
- Package of 5 paper bags

\* With pressure relief valve inactive.

\*\* Filter area includes two HEPA filters
